

Purpose: To provide guidelines to how the board and governance members as well as event leadership team shall behave with respect to giveaways and opportunity drawings at Chapter-held events.

Event Opportunity Drawings Policy

In accordance with the PMI Los Angeles Chapter (PMI-LA) Bylaws, no volunteer shall be compensated by participating in a chapter event. Guidelines are as follows:

1. Board members *shall* not participate in Opportunity Drawings sponsored by the chapter at a Chapter Held event.
2. Board members *shall* not participate in opportunity drawings provided by sponsors at a Chapter-held event.
3. The event leadership team also *should* not participate in opportunity drawings. This leadership may include the event Director and the PM for the event but not the staff working the event.
4. All non-board members, members and non-members may participate. This includes AVP, Directors for other events, Trustees, and Region Mentors.

Note: This does NOT apply to events held by other organizations where the volunteer is representing the chapter.

This DOES NOT include any free giveaways from the Chapter or Sponsor that are available at the table for all to pick up.

Chapter opportunity drawings: As each opportunity arises, must be run in accordance with where eligibility is defined as to who can participate. This includes but is not limited to:

- Opportunity drawings tickets issued at registration
- Spin-to-Win contest
- Attendance electronic random generators

Chapter-sponsored social media contests with postings as entries: As participation of the board and key volunteers encourages members and non-members to follow the chapter, this is cited as an exception to this policy and board and key volunteers can participate fully.

Sponsor and speaker opportunity drawings: Chapter attendance cannot be provided to Sponsors or Speakers for Opportunity Drawings or other uses. Sponsors are allowed to gather business cards or have a sign-in sheet for participation in their Opportunity Drawings.
