OCTOBER 2026

PROGRAMS + EVENTS GUIDE

THE PROJECT FILES

LOS ANGELES FIELD RECORD

Every project leaves a story.
The decisions. The risks. The
people. The lessons worth
carrying forward.

WHAT'S ON YOUR RADAR?

Projects rarely announce what's coming next.
A changing workforce.
Sustainability.
Pressure.
Resistance. Opportunity.

October is about seeing the signals early - and knowing what to do with them.

SIGNAL / 01

SUSTAINABILITY

What belongs in the project conversation?

SIGNAL / 02

VALUE

Can you communicate yours in three seconds?

SIGNAL / 04

WELLBEING

What happens when green status hides red signals?

SIGNAL / 04

CHANGE

Where is resistance forming?

SIGNAL / 05

MEASUREMENT

What are you actually measuring?

FIRST SIGNAL

OCT 04 / IN PERSON

SUSTAINABILITY IS IN PLAY.

Fireside conversation + breakfast + networking
