

**PORT OF LONG BEACH  
NOTICE OF REQUEST FOR PROPOSALS (RFP)**

**NOTICE IS HEREBY GIVEN** that the City of Long Beach, California, acting by and through the City's Board of Harbor Commissioners (Port) will receive, before the Deadline established below, Proposals for the following Services:

**PM-26-01  
On-Call Professional Project Management Services**

**Scope of Services**

The Port is seeking qualified consultant firm(s) to provide on-call professional project management services to support the delivery of Port projects during the planning, design development, bid and award, construction and closeout phases, including specialized support related to land use initiatives, as applicable. In addition, firm(s) shall provide project management office (PMO) support services, including risk assessment, sustainability, lessons learned facilitation, asset management support, and guidance document development, as requested by the Port.

The Port expects to award more than one contract from this procurement.
